

Victoria Chen

UX/Product Design | Expected Graduation: May 2028

Experience

Educational Design Assistant | Center For Digital Thriving

Aug 2026 - Present

- Designed visual assets, packaging, and comic-style rule books for the IMAGINE field kit, a board game-inspired digital literacy kit for middle/high school classrooms.
- Conducted UX research, design, and prototyping for companion web applications, with design decisions informed by a survey of 1500+ teens.

Founding Designer | Ecovante

May 2026 - Present

- Led end-to-end UI/UX design, logo illustration, and brand identity as the sole designer for a live start-up connecting 30+ ecotourism travelers with global nonprofit partners.
- Prototyped 8 core pages and 3 user flows in Figma, launching a fully designed MVP and internal administrative portal (for 10+ staff and project partners) in 3-4 weeks.
- Reduced design-to-dev handoff time by using Claude Code for direct implementation and GitHub for version control.

UX Design Lead | Tech For Social Good

Sep 2025 - Present

- Rainforest Connection:** led 5 students in redesigning a mobile app and sound library (~7K+ listening interactions) optimized for accessibility in low-tech regions.
- Misión Multiplica:** Researched and prototyped an intuitive administrative web portal for a Chilean donor-matching nonprofit to track 3000+ applications across 15 donors.

Research Assistant | Harvard Laboratory for Developmental Studies

Nov 2024 - Present

- Designed 3 age-appropriate, gamified behavioral studies on 5-8 year olds' reasoning of social cognition and collaboration, recruiting and running 150+ participants per year.
- Conducted data analysis (binomial sign tests, logistic regression) on R, with findings incorporated into an in-progress manuscript.

Science Communication and Media Intern | LabXChange

Feb 2025 - Feb 2026

- Created weekly Instagram graphics and animations, growing presence to 11K+ followers.
- Pioneered a novel ambassadorship program connecting LabXchange to high schools, authoring a 10-article introductory series to biotech and creating presentation resources.

Communities + Leadership

Student Ambassador | Adobe

Aug 2026 - Present

- Organized monthly workshops, bringing accessible design education to campus.
- Promoted products through LinkedIn and Instagram content, sharing brand awareness.

Design Chair | The Harvard Crimson

Jan 2025 - Present

- Created 300+ digital illustrations for print and online publications (2 mil+ views/month).
- Led layouts (Adobe InDesign) and production of weekly print paper, and special issues like Harvard-Yale, Reunion, and Commencement (30K issues).
- Contributed high-fidelity Figma redesigns of the Crimson's Arts and News webpages.
- Facilitated weekly community design workshops for 30+ members (Figma, animation).

Education

Harvard College

B.A. Statistics, Psychology
Minor in Educational Studies

GPA: 3.93/4.0

John Harvard Scholar (Top 5% of class)

Skills

Design

- User Interviews
- Information Architecture
- Data-driven Design
- Figma (Prototyping, Interaction Design)
- Adobe (InDesign, Illustrator, Photoshop, XD)
- Visual Design
- Digital Illustration
- Usability Testing

Programming

- HTML/CSS
- Python
- JavaScript
- R Studio
- Claude Code
- GitHub

Languages

- Mandarin (Fluent)
- Cantonese (Fluent)
- French (Intermediate)

Certification + Awards

NYEdTech Hackathon 1st Prize

Mar 2026

- UX research, design, and illustration for ClassBandit, a virtual class pet app.

x3 Kempner AI Research Fellow

Jun 2025 - Jun 2026

- Joint research on developmental cognition and AI

Google Grow UX Certificate

Oct 2025

- Funded by the BobaTalks x Grow with Google scholarship.
